

Masterclass Learning Set 2011

for

NLP Master Practitioners & Trainers

"Alongside our fourth Masterclass Series in 2011 we will again be running a year-long learning set for a maximum of 12 NLP Master Practitioners and Trainers to continue their learning and development. The Masterclasses in combination with the Learning Set are proving to be a truly developmental experience for people – providing challenge and support in equal measure. I am privileged to be part of such a great group of people."

Marie Faire

(Learning Set facilitator and Co-founder of The Beyond Partnership Ltd)

NLP Masterclass Learning Set 2011

We will meet as a learning set for breakfast before each Masterclass. This will be an opportunity to "check in" with each other and to set learning outcomes for the day.

Following each Masterclass those who are part of the Learning Set will have a private audience with the Masterclass presenter – an opportunity to ask more questions and model them.

We will then have dinner together, stay overnight and meet the following day to share and build on the Masterclass experience, and get individual time to explore current challenges, development and issues.

The Masterclass Series is open only to anyone who is an NLP Master Practitioner or Trainer.

Ideally members of the Learning Set will attend all four of our NLP Masterclasses in 2011. In reality there are always some who miss one of the workshops due to work commitments.

The learning set will be facilitated by Marie Faire.
